# DOMETIC BOX AWNINGS

Domestic PerfectWall & PerfectRoof Box awnings are compact and lightweight and come in various lengths to suit most RV, vehicle and camper applications. Engineered with extra strong arms and supports for optimal fabric tension and resistance against wind. Available in manual and optional integrated 12 V motor (with manual override) on some models.

## SUPERIOR QUALITY FABRIC

Designed with UV resistant 3 ply polyester reinforced vinyl fabric with waterproof welded rope seams. The Domestic Box awnings are rot proof and can be put away damp without fear of damaging the fabric. Available in horizon grey and blue fabric colours, with white or anthracite grey casings.

## 12 V OR MANUAL RETRACTABLE ARMS

- 12 V or manual operation with telescopic crank
- Solid retractable arms to provide optimal tension & resistance against wind
- Corrosion resistant powder coated profile in white or anthracite grey

# DOMETIC WALL AWNINGS

## DOMETIC POWER AWNING

Premium quality with 12 V electric convenience

If simplicity is what you desire, look no further than the Domestic Power Awning. The Domestic Power Awning brings the convenience of a 12 V motor-driven awning to the recreational enthusiast.

- With the simple press of the wall-mounted switch, the Domestic Power Awning opens and retracts with ease
- Suitable for the majority of motorhomes and caravans
- 13 oz. 3-ply polyester reinforced vinyl fabric

### Quality vinyl fabric

- Clear acrylic coating resists scratching, fading, mildew and staining
- Horizon colour pattern on both sides
- White weather shield
- UV protected

## DOMETIC 8300 SUNCHASER

### Easy one-person operation

Not only is the 8300 Sunchaser a great looking awning, it's real value as well. This big, bold and durable awning has all the famous qualities that RV enthusiasts have trusted for years. It's heavy-duty, polyester reinforced vinyl fabric features a beautiful polar horizon pattern on the top only (on both sides of granite).

- Ergonomically designed lock knobs
- Exclusive patented PermaLoop™ pull strap
- One person can easily open or close the awning
- Cam lock system holds the awning secure and gives total operator control
- Partial or full approx. 8-foot extension in carport or patio position
- Positive-action foot-and-bracket system which allows the lock or release of the support arm in one easy motion
- Vinyl cushioned lift handle for easy, one handed operation

### Quality vinyl fabric

- Clear acrylic coating resists scratching, fading, mildew and staining
- Decorative colour coordinated valance
- UV protected
